Thanks Michele. I hope you enjoyed the Fair on your visit; the family and I attended this past Saturday and enjoyed the farm animals and butterfly exhibit.

Talk to you soon,

Juan

Dear Sonnie,

As we discussed last week, attached for your information are the EPA checklist and criteria regarding aquifer exemptions. We are going to update our review of your renewal application and provide any remaining technical comments. One of our comments will be to revise the section on USDWs in Attachment D. As a heads up you will want to provide the information requested on the checklist. Please feel free to contact me with any questions.

Sincerely,

Michele
